

# FugiFix<sup>®</sup> FF

## SIHGA<sup>®</sup> Feature

universal joint spacer for facades

due to of the special geometry

made from SIHGAMID, the fibre-glass reinforced plastic originating from space research

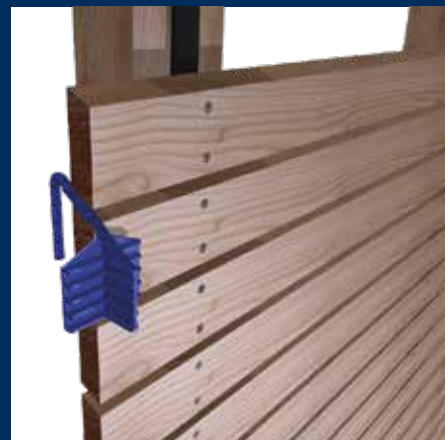

## YOUR Benefit

joint widths of either 5, 6, 7 or 8 mm can be set quickly

the FugiFix<sup>®</sup> FF cannot fall into the joint and can easily be removed again

extremely heat-, frost- and UV-resistant

SIHGA <sup>®</sup> montagepack		Dimension FugiFix <sup>®</sup>	Joint Widths
Art. No.	PU	Type	[mm]
34966	5	<b>FF</b>	5, 6, 7, 8

### SIHGA<sup>®</sup> TIP:

To extend the life of timber constructions, we recommend using KompeFix<sup>®</sup> II KF.
